Notes and Instructions for Bands

A Band representative must sign in with the Contest Supervisors in the judge's tent arrival at the venue.

NB The competition timings are very tight and with two circles in operation we want to reduce the impact a band playing in one circle might have on a band in the other. On that basis bands are requested to be at the line ready to start their set at the designated time.

A March Past event has been included in the syllabus. It will take place in the venue following the conclusion of the circle event, and will constitute the way in which bands move onto the field in preparation for the Massed Bands and Presentation.
